Subject: Additional information – Kemps Creek Data Centre (SSD-10101987) (Penrith)

Dear Shaun

Thank you for your email received 7 February 2023 requesting comments from the Environment and Heritage Group (EHG) in regard to additional information submitted for State Significant Development (SSD) Application Kemps Creek Data Centre (SSD-10101987) (Penrith).

The Engagement Notes state *The Department of Planning and Environment has received Additional Information in response to agency advice on the RtS for the Kemps Creek Data Centre.*

EHG has reviewed the additional Information and provides the following comments in regard flood risk management and waterway health.

Flood risk management

As previously advised, it is recommended that the applicant update the table to refer to EHG's most recent advice pertaining to flood risk management dated 28 January 2022.

Waterway Health

As previously advised, the DPE Planning Group will need to determine whether the proposal should demonstrate compliance with the Mamre Road Precinct Development Control Plan, including Section 2.4 Integrated Water Cycle Management.

If you have any queries please contact Marnie Stewart, Senior Project Officer Planning via Marnie.stewart@environment.nsw.gov.au.

Yours sincerely
