AW EDWARDS

POLICY

QUALITY MANAGEMENT POLICY

A W Edwards Pty Limited (AWE) has resolved to achieve the goal of providing Quality Management to the operations of the company.

The A W Edwards Pty Limited group was founded in 1921 and has established a long and proud record of providing quality service, management, advice, workmanship and product. The tradition of "getting it right the first time" has always been encompassed within the company policies and objectives.

The objective of the company is to provide our Clients with a completed product that meets or exceeds their expectations, and conforms to agreed requirements of the design or specification.

The AWE Executive Committee realise that, notwithstanding the level of involvement and supervision provided by a Client, the ultimate requirement for achieving specified quality and assurance of compliance to the Client lies within the responsibility of the company.

Our Management System enhances the aims of the company's processes and will assist in achieving time and cost objectives and provide assurance to specifications and standards.
To achieve these objectives, the Executive Committee are committed to: -

- Implementing the requirements of the Management System and complying with the requirements of ISO 9001:2015
- Ensuring the involvement and dedication of all employees, supported by training and motivation in the consistent implementation and application of the Management System.
- The application of the Management System requirements to management functions, work methods, procedures and specific client requirement, and
- Regular reviews of the Management System to monitor and evaluate the application to ensure these objectives are achieved.
- Continually improve the effectiveness of the Management System

A W Edwards Pty Limited is committed to ensure that the Management System will provide staff and Clients of the company confidence that we will continue to provide quality goods, service or product achieved in a planned and systematic manner, meeting expectation, and as a requisite to our long term success.
